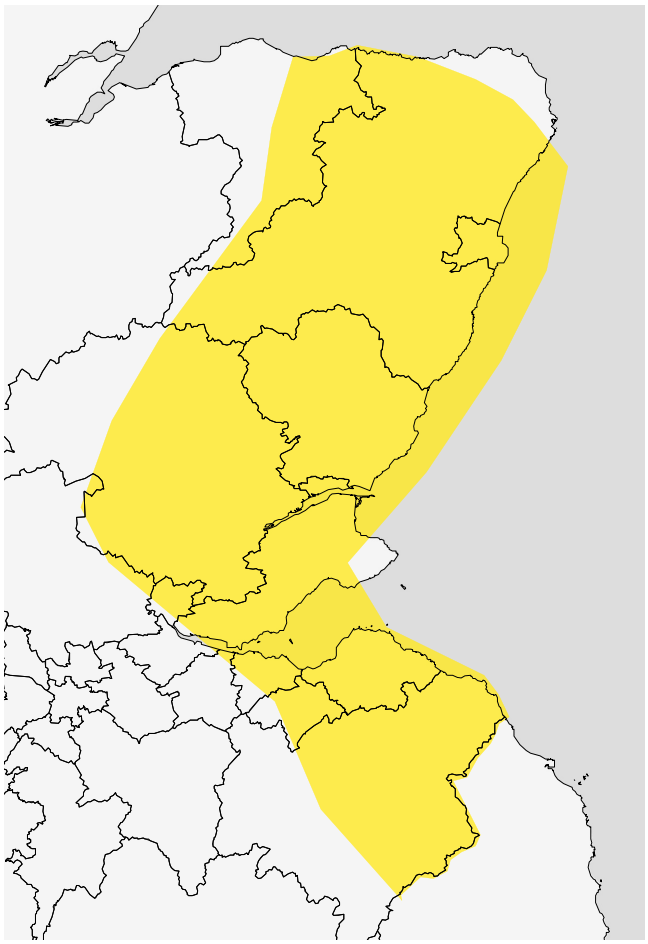
Yellow warning
Rain

Between
15:00 Thu 17 Nov 2022 and
23:59 Fri 18 Nov 2022



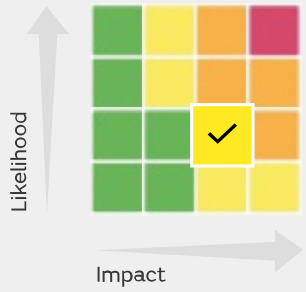
A spell of persistent, and at times heavy rainfall will continue on Friday, leading to a risk of flooding.

What to expect

- There is a chance that homes and businesses could be flooded, causing damage to some buildings
- Spray and flooding likely to lead to difficult driving conditions and some road closures
- Should flooding occur, delays or cancellations to train and bus services are likely
- There is a chance that some communities may be temporarily cut off by flooded roads

Further details

Persistent rainfall will continue on Friday and when combined with Thursdays rainfall in excess of 100 mm is expected over some hills, particularly in Angus and Aberdeenshire where there is a separate amber warning. Rain then slowly dying out through Friday night.



Low likelihood of medium impacts
